Most expats are aware that if you are looking to build any form of property in Thailand, then it would certainly be worth you talking to Kensington. However many do not know that they also offer a fantastic design service too. If you are looking for exterior and interior design, then they are also a top candidate and one to speak to.

any do not know that they also offer a fantastic design service too. If you are looking for exterior and interior design, then they are also a top candidate and one to speak to.

**Quality Construction, Value for Money & World Class Interior Design**

As many long term expats know, Kensington's reputation is one of integrity, honesty, quality construction and custom house builds. However as I recently found out, they are also known for offering a complete Interior design service too. In keeping with their architectural, construction and landscaping services they also offer superb world class interior design. They have a super team of young Thai designers full of fresh, innovative ideas and are well versed in creating amazing concepts, 3D designs and ideas for the client. They offer amazing value for money combined with exceptional design.

**Fabulous Designs, Architecture & 3D Rendering**

Kensington's aim is simple and it is ingrained right through their company. It is to assist all their customers in achieving their goals and guiding them effortlessly through to the final, successful conclusion. Customer satisfaction is paramount to them and achieving the highest levels of quality a most welcome policy too. So whether you're looking for a fresh new look for your exclusive villa, a fabulous theme for your new luxury house, a sumptuous style for your palace, an impressive executive office, a comfortable board room, a

new night club and fashionable bar, or the 'wow' factor for that 5 star hotel/resort; Kensington are a sure bet to contact.

**Hotels, Resorts and all Types of Developments**

Interior design is now an integral part of both residential and commercial properties. It is an essential aspect of any major hotel chain, or resort, and vital to bring exciting new concepts to the market place; Long gone have the days when hotels could suffice with standard rooms and furniture; to compete on the international market it is vital each has there own special theme, which soon becomes part of their overall trademark. A trademark, which if created correctly will have their customers coming back time and time again.

**Your First Choice for Interior Design**

The right colour schemes to calm the mind, soft, tasteful furnishings to relax the body and enchanting sculptures to muse upon. These and many more unique concepts not only enrich your lifestyle but also put you on a new path of artistic discovery. You will welcome the new soothing effects of the right use of colour and wallow in the luxuriant nature of your dazzling new property. As a company in Thailand

Kensington are extremely pleased to be associated with some of the world's best furnishers and excited to be able to introduce you to a whole new world of lifestyle living.

**Open the Doors of Interior Design**

As a company Kensington constantly strive for higher levels of creative splendor and always endeavor to continually bring inspired and exciting new concepts to each of their new clients; rich in fashionable colours, beautiful designs and lush comfortable furnishings; whether you have ideas or not, it is of no matter as their seasoned professionals guide you through a wonderful realm of enchanting and inspirational suggestions; restricted only by their fervent imaginations and your specific desires. This truly is a chance to open the doors on a whole new world of interior design.
